Dr. Dianne Nielson, Director  
Division of Oil, Gas & Mining  
355 West North Temple  
3 Triad Center, Suite 350  
Salt Lake City, Utah 84180-1203

Dear Dr. Nielson:

Enclosed is an updated partial computer printout of the water quality data for Coastal States' Skyline Coal mines project. The tabulated data and statistical summaries herewith submitted cover a period through the second quarter of 1991 but include only those pages which have been changed during the quarter.

These updated pages are replacements for those pages previously submitted and should be appropriately inserted into your existing loose-leaf document.

Sincerely,

*Keith W. Welch*
